

FLIP FLOP to the WORLD

Mission Statement, Purpose, and Vision

VISION: The Vision of the charity's founder Miss Plus America Elite 2011, Spruce Dickerson was, and is, that for only \$1.00 shoes can be purchased. What is \$1.00 to most people? Nothing. But, to those who have nothing at all, \$1.00 is rich!

MISSION (what we do): To collect and distribute new flip flops throughout the world to those in need; choosing a different Country of Focus every year.

PURPOSE (why we do it): To reach the under-served and less fortunate, poor, and orphans throughout the world with hope, love, and encouragement; while at the same time, providing shoes for the prevention of disease and infection.
